Dear Orchard Patrons,

Over the last twenty-five years, the Noonan family has been very proud to carry on the storied tradition of the Orchard Tavern and Orchard pizza. Since its inception, only four owners have ever received the famous pizza recipe. During our time here, we've had the opportunity to be a part of many wonderful customer experiences and created thousands of our own memories.

Opened in 1903 on what was then called New York Central Avenue, the Orchard has thrived for over one-quarter of Albany's 400-year history and is considered by many to be an Albany landmark. Established as a neighborhood bar serving the New York Central Railroad yard, the Orchard catered to families who built homes at the turn of the century to live near their jobs in the booming West Albany railroad and meatpacking shops. It is recounted that local workers would stop here on their way home and start a bar-tab on Monday. When pay-day came on Friday, the tabs would be paid for, and presumably started anew!

Orchard patrons have shared many stories with us over the years, ranging from their first date with their future wife, recognition of a relative in the pictures adorning the bar room, or former Albany residents who simply must have an Orchard Pizza when they return from out of town for the holidays. It is such a great feeling to know that the Orchard is a place where past and present come together, loyal regulars become best friends and new stories begin.

Our family is looking very much forward to the next 100 years of comfort food as we enter into the next generation of our storied existence. We want you to have a wonderful time and return often. If anything about your visit is not to your liking, don't spoil your visit by holding it in, please let us know immediately so we can fix it.

Orchardtavern.com is a great resource for viewing our unique daily specials and full catering menu for all your "family or business" events. Please also be sure to purchase your Orchard t-shirt or "world-famous" Orchard sweatshirt with partial proceeds benefiting the Leukemia & Lymphoma Society's Upstate NY & VT Chapter.

On behalf of the Noonan family, thank you again for your loyal support over the years and for the many years to come!

Sincerely,

The Noonan Family
(Mike, Karen, Patrick, Brendan, Sean, Conor and Granny)
